PROFILE

Enthusiastic and creative graphic designer with a passion for translating ideas into visually compelling designs. With experience in both print and digital mediums, I thrive on bringing concepts to life through innovative and impactful designs.

EXPERIENCE

GraveYardJokes Studios

FEB 2023 – CURRENT

Lead Web Developer for Graveyard Jokes Studios, building and maintaining a responsive website with Laravel, React, Inertia.js, Tailwind CSS, and Vite. Implement dynamic content, APIs, SEO best practices, and manage deployments via Laravel Forge and AWS to deliver a polished, user-friendly experience.

Nomad

FEB 2024 – MARCH 2024

Converted detailed design mockups into fully functional, responsive web pages by leveraging HTML, CSS, JavaScript, and LESS, ensuring cross-browser compatibility and maintaining pixel-perfect accuracy
